DETAILED ACTION

Response to Amendment

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

2. Claim 1 are rejected under 35 U.S.C. 102(e) as being anticipated by Ota (U.S. Patent No. 5,915,054).

Regarding claim 1, Ota discloses a method of transmitting local area network(LAN) data in an optical transmission network (an optical LAN, col. 1, lines 10-14 and FIG. 4), wherein information is transmitted in frames (FIG. 9 and col. 10, lines 36-40), each frame containing a first plurality of bytes for transmitting payload (data body) and a second plurality of bytes for transmitting overhead data (header), the method comprising:

Allocating in each frame one or more bytes of the second plurality of bytes for LAN data (responding node address and sending node address) transmission; for each LAN data transmission, transmitting frames with LAN data in one or more allocated bytes until the LAN data transmission is complete.

Allowable Subject Matter

Art Unit: 2663

3. Claims 16-48 are allowed.
4. Claims 2-15 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
